Subject: IMPORTANCE OF SCHOOL DIARY

Dear Parents,
Greetings from Ave Maria School.

We have distributed the official School Diary to all students today.

Action Required by Parents

- **Check Daily:** Review the school diary every single evening.
- **Acknowledge Homework:** Sign the diary daily after your child completes tasks.
- **Fill Particulars:** Complete the personal record page on page number Three.
- **Update Contacts:** Ensure emergency phone numbers written inside are accurate.

Importance of the School Diary

- **Primary Communication:** It is the main link between teachers and parents.
- **Track Progress:** It records daily homework, classwork, and project deadlines.
- **Monitor Behaviour:** Teachers use it to share remarks on conduct.
- **Stay Updated:** It contains the academic calendar, holidays, and exam schedules.
- **Uniform Compliance:** It outlines strict school uniform and discipline rules.

Active parental involvement is key to a child's success. Regular tracking prevents academic gaps and keeps you actively involved. Thank you for your continuous cooperation.

Warm regards,

Principal
